Recommendations

Received (1)

Given (10)

Betina Hodak

Fitter Apprentice at Patrick
Mechanical Limited.

March 11, 2010, Jan was senior to
Betina but didn't manage directly

I had the opportunity to work with Jan at Bang & Olufsen in Denmark in the acoustics department. Jan was very knowledgeable in the DSP process and taught me a great deal in the development of audio systems. I would work with/under Jan again if the opportunity became available.

Accomplishments

3

Languages

Danish · English · German

2

Projects

Celebrating the 100 year anniversary of the loudspeaker · DEAP Components platform development

1

Organization

Audio Engineering Society

1

Publication

Sound field planarity characterized by superdirective beamforming
